Dear Ms. Dukes:

as previously indicated I will be available for the prehearing conference schedule this morning. However, it occurs to me that the conference may not be necessary. I'm unaware of any significant issues between the parties, and my client will be participating in the hearing at my office. So, all video capabilities have already been tested. Therefore I am asking whether the prehearing conference can be waived. Unless I hear otherwise I will be ready to proceed.

**Subject:** DN 2020-238-T: Prehearing Conference and Test Run

Dear Parties of Record:

In preparation for the upcoming virtual hearing of Budget Movers of Augusta, Inc., each person is required to perform a test run of his/her virtual connection,

which will be conducted during Applicant's prehearing conference on Tuesday, December 1, 2020 at 11:00 a.m.

- **Customarily, only counsel participates in the prehearing conference; however, the test run will require the participation of both counsel and witnesses.** Please note that witnesses are not required to perform a test run if counsel and witness(es) are appearing from the same location on the day of the hearing. Please advise if this is the case.
- The Commission is aware that your party may have already participated in virtual proceedings before the Commission and may not require a test run; however, your attendance is required as this test run will also constitute the prehearing conference in this docket.

Each party is asked to complete and submit the attached form no later than **noon on Wednesday, November 25, 2020**. Enter the telephone number from which each participant will call from on the day of the virtual hearing. Should any information change, promptly notify Commission staff in writing.

Commission staff will use the information you provide to send instructions and other details related to implementation of the virtual hearing. Randy Erskine will email the link to access the WebEx meeting. (Please note that WebEx requires the use of a camera and laptop/computer.)

If there are any issues or concerns regarding this prehearing conference or subsequent virtual hearing, please feel free to bring them forward.

Thank you in advance for your cooperation!

**In accordance with Commission practices and procedures, should you respond to this email, please remember to hit "reply all" so that there is no inadvertent, accidental ex parte communication in this Docket, regardless if such procedural communication may be exempt by statute.**
